## CHATEAU FRANK

FINGER LAKES SPARKLING WINE

**Chateau Frank** (*Dr. Frank Wine Cellars' Sister Brand*)

### Célèbre Rosé

NV

#### Winery Background:

*Chateau Frank was started by Dr. Konstantin Frank's son, Willy. While Dr. Konstantin Frank pioneered growing the noble European grape varieties in New York, Willy Frank spearheaded New York's sparkling wine revolution using traditional methods and classic grapes. Dr. Konstantin Frank ignited the "Vinifera Revolution" a movement that forever changed the course of wine growing in the Finger Lakes and the U.S. Dr. Frank's vision, knowledge and determination are credited with elevating the New York wine industry from a state of happy mediocrity to a level that today commands world attention. Located on the Keuka Wine Trail in the Finger Lakes region, Dr. Konstantin Frank Wine Cellars features some of the oldest vinifera vines in the United States and continues to produce wines of distinction and quality.*

#### Vinification:

This sparkling wine, made in the traditional Cremant style, is made entirely from estate grown Pinot Meunier grapes. Whereas a small portion of the Pinot Meunier was directly pressed whole-cluster in membrane presses, the larger part was vinified as a Rosé wine with skin contact at low temperature to ensure minimum extraction of undesirable phenolics. Following the Cremant method, the Célèbre Rose is aged "sur lies" after the estate tirage. Finally, the Célèbre Rose is riddled by hand or gyropalette prior to disgorging.

#### Description:

This Cremant style Rosé sparkling wine offers very fruity red berry aromas. With its appealing color and fruit forwardness, this is a sparkling wine to please everybody. Serve with chicken, fish and light pasta.
