

## Dr. Konstantin Frank Dry Riesling 2017

*New York's most award-winning winery since 1962*

### Winery Background

*Dr. Konstantin Frank ignited the “Vinifera Revolution”, a movement that forever changed the course of wine growing in the Finger Lakes and the United States. Dr. Frank’s vision, knowledge and determination are credited with elevating the New York wine industry from a state of happy mediocrity to a level that today commands world attention. Located on Keuka lake in the Finger Lakes region, Dr. Konstantin Frank Wines features some of the oldest vinifera vines in the United States and continues to produce wines of distinction and quality.*

### Composition

100% Riesling

### Vinification

The grapes were picked in the early morning to retain freshness, destemmed, and pressed immediately. Once pressed, the grapes were fermented in stainless steel tanks at low temperatures to preserve the more delicate characteristics and freshness. The wine rests on its fine lees for 5 months before bottling.

### The Wine

An expressive style with dominant characters of minerality, grapefruit, lime and soft apricot. The crisp lime-driven acidity enhances the distinct Keuka Lake minerality, rounded by stone fruit and ginger. Our Riesling finishes long and mouthwatering balanced perfectly with a slightly weighty texture.

**Style:** Dry

**Body:** Medium

**Cellaring:** Drink now or cellar until 2022
