

Dr. Konstantin Frank Riesling Reserve 2014

New York's most award-winning winery since 1962

Winery Background

Dr. Konstantin Frank ignited the "Vinifera Revolution", a movement that forever changed the course of wine growing in the Finger Lakes and the United States. Dr. Frank's vision, knowledge and determination are credited with elevating the New York wine industry from a state of happy mediocrity to a level that today commands world attention. Located on Keuka lake in the Finger Lakes region, Dr. Konstantin Frank Wines features some of the oldest vinifera vines in the United States and continues to produce wines of distinction and quality.

Vinification

Made in the German Auslese style, part of the fruit used for this wine was affected by botrytis. After hand-sorting the botrytized bunches, the fruit was crushed, pressed and fermented at low temperatures in stainless steel tanks.

The Wine
