*"So drinkable and fresh, this really shows the potential of this variety in the Finger Lakes. Aromas of white peaches and lemons with some fresh-pastry notes, leading to a palate that has elegant and a precise interplay of fruit and acidity. Sleek and fleshy, lemon and green-mango finish. Drink now. Screw cap."*

*"Lemony, fresh and intense. Pure with nice stony, mineral undertones with subtle herby hints. It's not all about fruit: it seems stony, clean and bright with lovely purity."*
