2017 SAPERAVI

“While a majority of the grapes come from estate vineyards on Seneca Lake, a tiny portion are from the winery’s original Keuka Lake plantings that date back nearly 60 years. This is inky and rich in a dark ruby hue, with aromas of black plum, dark cherry and granite on the nose. The palate is juicy and slick yet rounded in feel, filled out by thickskinned dark berry flavors that show power and grip. While the tannins are bold, the fruit fills out the palate well to yield a burly outcome.”
