91 Points

Dr. Frank 2013 Lemberger

The 2013 Lemberger was aged for 15 months in a mixture of new and used French oak. It comes in at 13% alcohol. Another fine Lemberger bargain from Dr. Frank, this is showing its oak far too much in its youth, but it quickly starts to pull it in. Give it a couple of years and that should improve. With big pop and power on the finish, this adds controlled acidity and persistent waves of tasty fruit. Gorgeously constructed, it is a bit unevolved now, but it should age well. Give it a year or two in the cellar for best results.
