SALMON RUN

Salmon Run Riesling 2016

New York's most award-winning winery since 1962

Winery Background

Dr. Konstantin Frank ignited the "Vinifera Revolution", a movement that forever changed the course of wine growing in the Finger Lakes and the United States. Dr. Frank's vision, knowledge and determination are credited with elevating the New York wine industry from a state of happy mediocrity to a level that today commands world attention. Located on Keuka lake in the Finger Lakes region, Dr. Konstantin Frank Wines features some of the oldest vinifera vines in the United States and continues to produce wines of distinction and quality.

Vinification

The fruit is gently pressed as soon as it gets to the winery. The juice is fermented in stainless steel tanks at low temperatures to preserve the more delicate flavours. Just a touch of sugar is left to make an off-dry style, where the sweetness is perfectly balanced by the crisp acidity.
