Dr. Konstantin Frank 2012 Blanc de Noirs

(Finger Lakes, NY)

“Lean, fresh and more than a little earthy, this Blanc de Noirs has a scent of chalk-dusted Rainier cherries and a mildly sale finish. Deploy its focu and lean flavors on a plate of escargot.”

Dr. Konstantin Frank 2012 Blanc de Noirs

(Finger Lakes, NY)

“Konstantin Frank’s Blanc de Blancs is chardonnay with an Alsatian feel. Leading with a fine mousse, it’s lean, tart and mineral, with a lemon-lime scent as well as a hint of smoke. The flavors are mouthwatering and young, with lots of citrusy persistence. Impressive.”
