METHOD

The grapes were hand-picked into small 40kg crates with careful bunch selection in the vineyard. The whole cluster grapes were immediately pressed. From harvest to pressing, extreme care is used in handling the grapes to avoid any excessive crushing or bruising. Only the first most delicate pressing, called the Cuvée, is used. The base wine was bottled the following Spring after harvest.

Secondary fermentation took place in bottle as per the traditional Méthode Champenoise. The wine was left in bottle with the lees for a minimum of 42 months in the underground cellar at Chateau Frank. Each bottle is individually disgorged, corked, crowned, and labeled by hand. The month of disgorgement is listed on the back of each bottle.

VINEYARD

The grapes for our sparkling wines are located on separate plots on our Keuka Estate vineyards. These vineyards were planted by Willy Frank in 1980 with the sole purpose of producing sparkling wines.

THE WINE

The 2020 Blanc de Noirs offers a beautifully expressive bouquet of delicate white flowers, citrus zest, and a hint of toasted brioche. On the palate, it is crisp and vibrant, with lively acidity that perfectly balances its rich, creamy texture. Subtle notes of red apple, ripe pear, and a touch of wild strawberries emerge, creating a harmonious blend of freshness and complexity. The wine finishes with a lingering, elegant minerality, showcasing the exceptional craftsmanship behind this traditional method sparkling. A stunning example of finesse and depth, perfect for any celebration.
